FROM THE PASTOR'S PEN:

Praise the Lord to the Miracle Temple Family. I greet you in the Matchless Name of Jesus! During my first ten years as pastor of Miracle Temple we were able to accomplish a great deal by working together and supporting the vision that God gave me. That being said, it is now time to cast the new vision for the church. We as the Miracle Temple Church are about to embark on a five-year journey beginning today! For the past few months I have been in prayer and in meetings with staff and a church efficiency consultant to help create strategies for growth and development within our ministry. In a few weeks we will be gathering our church leaders for an evening of orientation to roll out my vision. Following will be a day of workshops and training. We will be streamlining and, in some cases, realigning certain ministry functions. This will lead to more productive methods of service to the body of Christ. Our focus will be to develop people in their current and new roles as it relates to leadership. We will define roles and responsibilities so that all leaders will have a clear understanding of their position and purpose. I know that with change comes a certain amount of apprehension but let me assure you that this is going to posture us for new growth. With God's blessing and your support, we are going to bring our ministry in line with 21st century church methodology that is tested and proven. As our spiritual theme for April we are aligning with our church the mantra "Moving Forward". It is no coincidence that during the meetings I have attended and even the theme for the NCDC conferences has been "Moving Forward". I believe that in order for us to move forward there are elements that will assist us in our endeavor. If you are called upon to serve please prayerfully consider that this is something that you want to do and that you can commit to before agreeing. We will need all of your prayers and support to bring this vision to pass.

Moving forward,
Pastor T Marc Gandy

SHOP IN HEAVEN'S GROCERY STORE

I was walking down life's highway a long time ago
One day I saw a sign that read Heaven's Grocery Store.
As I got a little closer, the door came open wide, and
before I knew it, I was standing there, inside.

I saw a host of angels; they were standing everywhere,
and one angel said to me, "my child, shop with care."

Everything a Christian needed was in that grocery
store. And all you couldn't carry, you could come back
any time for more.

First, I got some patience, love was in the same row.
And further down was understanding, you need that
everywhere you go. A box or two of wisdom, a bag or
two of faith and I couldn't miss the Holy Ghost for He
was all over the place.

I stopped to get some strength and courage, to help
me run the race, my basket started getting full, but I
remembered I needed some grace.

I couldn't forget salvation, for that was always free,
there was enough of that to save both you and me.

I started to the counter to pay my grocery bill, I was
sure I had everything I needed to do my Master's will.
As I went up the aisle, I saw prayer and had to put that
in, for I knew when I stepped outside, I'd run right into
sin. Peace and joy were plentiful, they were on the last
shelf. Songs of praise were hanging near, so I just
helped myself.

I went up to the clerk and asked how much I owe, he
only smiled and said, "just take them everywhere you
go!" I asked him another time to tell me how much I
owe. He just smiled and said to me, "Jesus already paid
your bill a long, long time ago!"
