

TEMPLE TALK®

SPIRITUAL THEME FOR AUGUST

Praise the Lord to the Miracle Temple Family and the people of God everywhere. I greet you in the Matchless Name of Jesus! The Spiritual Theme for our July and August Summer Series 2018 is, 'The Book of Colossians.' Paul is the author and although the destination of the letter is to the church at Colosse, this letter serves to encourage, inspire, and correct the errors of modern Christians throughout the world. Believe me when I say, "you don't want to miss this series!"

Please feel free to invite a friend or family member to be our guest in August. If you are unable to attend the bible study you may watch at 7pm on Facebook Live; add and follow 'Thomas Marc Gandy'!

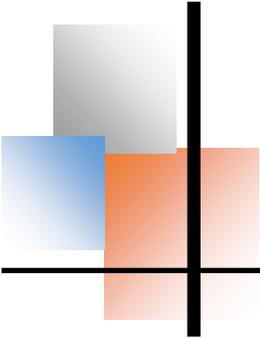

Until our next communication,
Pastor T Marc Gandy

FROM THE PASTOR'S PEN:

Praise the Lord to the Miracle Temple Family and the people of God everywhere. I greet you in the Matchless Name of Jesus! During a recent time of reflection I thought about the passage of scripture in the third chapter of Ecclesiastes. I pondered the summation that this writer; most likely Solomon, concluded. When we examine what has been our life's work and accomplishments whether they are miniscule or gargantuan, if they reach all or none, at the end of the day the question should be was there a benefit. The main thing is that we are allotted a certain amount of time. Time here may be exchanged for life, activity, a value placed on how it is exchanged. Life is about choices, and opportunities. If one is a wise person then he will exchange his time for opportunities that best serve what interests him. In any case he should consider what matters most. It is my opinion that what matters to God should matter to man. If this is man's opinion or belief if you will, then what interests man should be to do God's will. In conclusion, for me there is nothing better than to rejoice in the fact that one has spent his life pleasing the giver of life, the Almighty God. What is your life's goal?

Until our next communication,
Pastor T Marc Gandy
