TEMPLE TALK®

SPIRITUAL THEME FOR JULY

Praise the Lord to the Miracle Temple Family and the people of God everywhere. I greet you in the Matchless Name of Jesus! In line with our Spiritual Theme for the month of July I want to talk about forgiveness from a personal perspective. There are going to be occasions when we offend people and there will be times when we are the offended. In each case there are a few different choices that we can make. As the offended party we can simply ignore the offense and continue as if nothing ever happened. This will work for a person if they are not easily offended or if the offense is minor. The other option is to hold a grudge and avoid the offender without ever informing them of the offense; this too will work if you don't mind carrying the baggage of anger that is associated with grudges. Yet another option is to confront the offender and share with them the hurt that you experienced from the offense. In this case they have the option of making an apology or an excuse depending on their position. Either way you now have the choice to accept the excuse or the apology and processing it by a measure of forgiveness. Sometimes the most frequent and hurtful offenses come from someone who is closest to you. It takes a humble person to apologize for an offense caused especially if it was unintentional. It takes a humble person to accept the apology and to forgive the offender. The question is, are you humble enough to apologize or to forgive depending on your position in the situation? If the answer is yes, then you are ready to begin a process called healing. Healing takes place when we can admit or identify our role in the offense and then make the necessary adjustments to bring inner peace. It all sounds complicated doesn't it? Well, we are equipped to deal with these occurrences daily if necessary, so forgive and live! Be blessed and please invite a friend to church this month.

FROM THE PASTOR'S PEN:

Praise the Lord to the Miracle Temple Family and the people of God everywhere. I greet you in the Matchless Name of Jesus! Our Spiritual Theme for July 2019 is The Power of Forgiveness. The lessons are designed to give us real answers to our questions concerning our role in the forgiveness equation. The bible shares many examples and scenarios of forgiveness at work. We often hold ourselves hostage when it comes to the liberty of forgiveness simply because we refuse to employ this God given release. To learn more join us every Wednesday in July. Sunday, July 7th is the when we will have Communion. It would behoove all of us to examine ourselves for any signs of malice, hatred, or strife before we partake of the Sacrament. Please invite friends and family to experience our midweek service and bible study. Also, did you know that you can donate to our ministry using "Cash App"? Our information is \$MiracleTempleAPC (case sensitive).

Until our next communication,
 Pastor T Marc Gandy
