FROM THE PASTOR’S PEN:

Praise the Lord to the Miracle Temple Family and the people of God everywhere. I greet you in the Matchless Name of Jesus! So, our Spiritual Theme for this month is “Matters of The Heart”, I chose this subject so that we as the people of God can examine our priorities and how we are affected by what we choose to invest our time, energy and finances in. It is imperative that we consider what the Word of God gives us by way of instruction and advice. Jesus never required us to do more than He was willing to do. Yes, the standard is high, but it is there for us to reach our highest potential for this life in pursuit of the life to come. The news stations all reported an increase in fuel cost due to issues at the refineries in California. The effect will reach far beyond our state. I venture to say that this increase will affect our budgets but not the way we choose to drive, our destination plans, nor our frequency of travel. What it will do is cause us to rearrange other priorities in our monthly spending habits. We will have to make adjustments in our spending, determined by what we can cut back on, or eliminate altogether. Mark my words you are going to do what you need to do to adjust. And so it is with things that we consider to be important enough to make time for. We will cut out things that we deem less important than others. It behooves us to make spiritual things a priority in this last push in 2019.

Until our next communication,
Pastor T Marc Gandy
