

# TEMPLE TALK®

## FROM THE PASTOR'S PEN:

Praise the Lord to the Miracle Temple Family and the people of God everywhere. I greet you in the Matchless Name of Jesus! Once again we find ourselves at the beginning of another year. The Year 2020! In fact we are in a New Decade. So, how's it going for you so far? Have you made resolutions that you've already abandoned? Have you set goals and found yourself sabotaging your own progress? Have you failed to put in the necessary work to accomplish and complete tasks that are before you? Well, like anything that you want to do in life you should have a plan and a course of action. So you didn't read your daily devotions for the first week, go back and read them! So you didn't fast on your planned day of fasting, pick it up this week. So you haven't made it to the gym as you promised yourself that you would, go today! The easiest thing to do is to do nothing. The harder more responsible thing to do is to get started. If you are expecting a change in the New Year, you must begin to make changes. The worst that can happen is that you have to start over. I have determined that for me the things that worked last year don't need to be addressed but the things that didn't work are what I plan to focus on. Consider that there is a goal to be reached and begin to execute the steps to reach it. Every step that you take toward your goal brings you that much closer to reaching it. Remember the old saying, "quitters never win and winners never quit!" I can do all things through Christ who strengthens me. (Phil. 4:13 NKJV)
