FROM THE PASTOR'S PEN

Praise the Lord to the Miracle Temple Family and the people of God everywhere. I greet you all in the Matchless Name of Jesus Christ.

In times like these we should consider every action and deed that we do because time is winding up! The days seem shorter and pass more quickly than I remember as a youth. Nowadays you wake up in the morning and before long you're laying back down for bedtime. Where does the time go? We are fortunate if we accomplish some of our tasks during the day, and often we must pick up where we left off. Add to that the climate of our society with all the concerns of the world. We face war and brewing hostility between countries and nations, statistically there is increased violence on the streets of our cities being carried out at the hands of younger assailants. As if that weren't enough, we face increases in the cost of goods and services with a decrease in our cost of living.

The challenges we face today seem much more personal than in times past. So, with all this the question begs to be asked why aren't more people turning to The Lord for help? With so much uncertainty in the world why wouldn't people seek the aid of the High Power of God? Some would argue that there is too much pride and arrogance, while others might say that perhaps people haven't been properly introduced to God. I would agree that these are both reasonable explanations, but I think it is deeper than that. I think that the god of this world has blinded the people to the fact that there is help and hope in the God of heaven! We believers have but a small window of opportunity to help them see the Light of God and we can't do it if we are timid, fearful or unconcerned.

Pastor's Pen *(continued)*

If we are going to reach the masses as the song says, He must be lifted! In times like these our witness must be stronger and more real than ever before. Together let us commit to do our part in the Kingdom by redeeming the time wisely.

Until our next communication,

Dr. T. Marc Gandy

JUNE SPIRITUAL THEME

JUNE SPIRITUAL THEME

POWER OF A CHOICE!

Our Spiritual Theme for June 2023 is, "Power of A Choice!"

19 I call heaven and earth to record this day against you, that I have set before you life and death, blessing and cursing: therefore choose life, that both thou and thy seed may live: 20 That thou mayest love the Lord thy God, and that thou mayest obey his voice, and that thou mayest cleave unto him: for he is thy life, and the length of thy days: that thou mayest dwell in the land which the Lord sware unto thy fathers, to Abraham, to Isaac, and to Jacob, to give them.

(Deuteronomy 30:19-20)

The choices that we make and the power that we are given to choose should not be taken lightly. There are consequences and benefits connected to every choice and decision that we make. We will explore the Power of a Choice during our Midweek Bible Study.

So please join us virtually every Wednesday in the month of May for our Midweek Service and Bible Study. If you are unable to access the Bible Study during the livestream you may call our conference line at 7:00pm and listen in.
